### "I Have Lost The Receipt"

Thus spoke the man who was asked to settle a bill that he claimed to have paid a month previously He h d placed the receipt in his pocket with other papers and now could not find it.

He had paid cash, so could do nothing except pay the bill a second time.

That man learned a lesson from this incident—he now pays all his bills by check. In case of dispute about a paid bill, he can now use his cancelled checks as proof of payment.

Do you pay by check? It is the safe and businesslike way.
